

Increases the system consistency

TROM-jaro aims toward ideal and future goals rather than immediate ones.

It presents in the Speed Dial page, from the preinstalled [Firefox](#) web browser, other trade-free projects like [TROM documentary](#), [books](#), [videos](#) and [tools](#).

From the free tools you can find on [TROMsite.com](#) it worth mentioning the [curated news](#) page, the [VideoNeat.com](#) website with a huge collection of free educational documentaries and movies, as well as the [MusikWave.com](#) website and the application with the same name that can be installed on TROM-jaro.
